

Protective Messenger Bag

for Nintendo Switch

Protective Messenger Bag

Get more mileage out of the world's most portable console, with CTA Digital's Protective Messenger Bag for Nintendo Switch. This travel-friendly console carrier features a padded, protective interior to shield your Switch from fall or collision damage. The interior contains dedicated storage compartments for the Switch's docking station and game pad, plus extra storage spaces for controllers, game cartridges, and other accessories. The stylish exterior boasts an additional zipper compartment, plus a plush, adjustable shoulder strap and rubber grip handle.

Features:

- Padded, protective interior shields Switch from fall or collision damage
- Dedicated storage compartments for Switch docking station, game pad, and up to 10 game cartridges
- Divider-separated storage areas for Joy-Cons or Switch Pro controllers
- Zipper-sealed interior and exterior storage pouches
- Adjustable shoulder strap and rubber hand grip
- Stylish, travel-friendly design
