

Security Carrying Case with Kickstand and Anti-Theft Cable for iPad Air 2 and iPad Pro 9.7

Security Carrying Case with Kickstand and Anti-Theft Cable

This sleek, portable security enclosure offers exceptional functionality while protecting your iPad from theft, making it an invaluable accessory for tradeshows, conference rooms, classrooms, restaurants, and doctors' offices. The streamlined case features nano composite cooling pads to reduce heat, a built-in folding kickstand for easy tabletop setup, plus openings for all cameras, ports, and jacks. The back of the case is equipped with a built-in stylus holder designed for the Apple Pencil. Your tablet stays protected with the K-slot style galvanized steel anti-theft cable, which attaches easily to any permanent fixture and unlocks with a set of keys. Constructed with portability in mind, this case also includes an attachable padded hand-grip for comfortable carrying, plus an adjustable shoulder strap.
