Laptop and Tablet Dual Gooseneck Clamp Stand

This clever, sturdy clamp stand lets you create a joint laptop and tablet workstation on the fly wherever you need it. Featuring 2 independent goosenecks and holders, one each for your laptop and 7-13 inch tablet, this heavy-duty adjustable clamp uses powerful rubber grips and a rotary tightening mechanism to give you fast, easy setups on classroom desks, conference tables, podiums, and more. The clamp can also attach to cylindrical objects like chair legs or hospital bed rails by removing the tabletop grip insert. The laptop stand surface features protective no-slip rubber grips to ensure that your computer stays put, plus a durable, ultra-flexible steel gooseneck for virtually infinite positioning options. The tablet holder is supported by an even longer gooseneck, and is outfitted with 360 degree rotation to accommodate portrait and landscape orientations.
