

VESA Compatible Dual Screen Floor Stand with Storage Compartment (Black)

ADD-FS2VDMB

VESA Compatible Dual Screen Floor Stand with Storage Compartment (Black)

This easy-to-use dual-screen floor stand gives lots of options for use in restaurants, retail, home, office, and hospitality. The durable metal mount features space for 2 VESA-compatible screens. Standard VESA 75 x 75-millimeter mounting holes allow easy attachment to compatible enclosures – like CTA's popular small and medium sized Security Enclosures (PAD-PARAW and PAD-PARAWW) (sold separately). The lower enclosure mount angles perfectly toward users for optimum viewing. Either or both enclosures can be mounted in portrait or landscape orientation. A secure, lock and key compartment in the rear allows for not only ample storage, but also, plenty of room to neatly route cables. This kiosk base makes a bold statement – and features side slots to insert a custom graphic. (We'll provide specs to help you create the right size graphic.) A heavy padded base protects floor surfaces and offers a secure foundation.

Features:

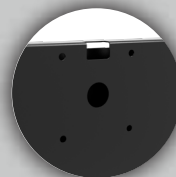

- Heavy duty metal base has pre-drilled holes for permanent mounting
- Dual 75 x 75-millimeter sets of VESA holes work seamlessly with compatible devices
- Padded base protects surfaces
- Interior cable routing
- Lock and key secures rear compartment
- Heavy-duty aluminum and steel body

Specifications:

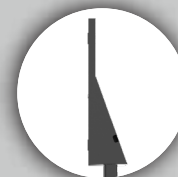

- Kiosk dimensions: 9.1"w x 19.6"h x 5.4"d
- Base dimensions: 14.96"w x 43.38"h x 11.8"d
- Weight: 28.4 lbs.
