VESA Compatible Desk Mount with 360-Degree Rotation

Easily adjusts for horizontal or vertical views

VESA Compatible Desk Mount with 360-Degree Rotation

This versatile desk mount is the perfect tablet stand for use in retail, restaurants, coffee shops, schools, hospitality desks, check-in stations, and more. The sturdy base can be permanently mounted to any horizontal surface but is also heavy enough for use without screwing it down. The 75 x 75-millimeter and 100 x 100-millimeter VESA mount works seamlessly with CTA's popular Paragon Enclosures, monitors, or other compatible device cases. The stand itself features full 360-degree rotation, making ideal for retail transactions. The VESA plate also rotates, allowing for use in either portrait or landscape orientation. All cables and charging cords may be neatly routed through the center body.
