Compact Dual Gooseneck Floor Stand for Phone and 7-13-Inch Tablets

Compact Dual Gooseneck Floor Stand for Phone and 7-13-Inch Tablets

CTA Digital's Compact Dual Gooseneck Floor Stand creates an instant content creation station, presentation tool, and hands-free adjustable workstation. This stand is equal in adjustability, featuring 2 powerful, flexible goosenecks with tilting headpieces for easy 360-degree rotation. The first generous, 35-inch gooseneck comes complete with a universal cell phone holder. It safely cradles any phone from 3.5-6-inches high (and can accommodate most phone cases). The second gooseneck holds almost any 7-13-inch tablet. The quick-adjusting tablet holder slides open and secures your 7-13-inch tablet by the corners, leaving ports and buttons fully accessible. Further customize your workstation with the stand's height-adjusting, telescoping pole and attachable storage cradle, perfect for an external battery pack or a stack of business cards. The included swivel casters attach effortlessly to the stand base, giving your stand easy mobility in your office, living room, classroom, retail space, or even on your exercise bike or treadmill.

Features:

- Flexible, sturdy gooseneck adjusts to any position
- Jointed tablet holder tilts side to side and rotates 360 degrees for landscape and portrait viewing
- Telescoping pole allows easy height adjustment
- Attachable battery-pack cradle
- Stable, weighted metal base
- Optional, easy-rolling swivel casters
- ADA Compliant
- Compatible with 7-13-inch tablets, including iPad 10.2-inch (7th, 8th, 9th Generation), and others
- Compatible with tablets in cases up to 1.06 inches in total thickness
