This compact floor stand and tablet enclosure is the perfect solution for use at home, at the office, or in a common public area. The sturdy base is simple to assemble with the included hardware. For added security, it can be bolted into a floor or a presentation area. A height adjustment knob allows for optimum usability. At the top of the stand, you'll find CTA's Paragon locking enclosure. This rugged case keeps tablets protected from theft, while allowing access to all ports and buttons. The durable metal enclosure features a powerful lock and key security system. Your enclosure can be mounted in either portrait or landscape orientation. You'll find plenty of room inside the enclosure to route charging cables. A standard 75 x 75 and 100 x 100-millimeter VESA plate at the rear of the enclosure allows you to use your device on other VESA mounts.
