Rotating Wall Mount

For 7-14 inch Tablets

Rotating Wall Mount

The ultimate space-saving tablet solution, this ingenious wall mount occupies minimal wall space, making it a perfect fit for hospitals, classrooms, commercial kitchens, and more. The mount only barely extends from the wall but affords a full 360-degree rotation. The unique slide-adjustable holder grips your tablet by the corners, allowing full access to all ports, buttons, and headphone jacks for compatibility with credit card readers. The mount base is VESA compatible, for easy interfacing with other VESA compliant equipment like arms.

Features:

- Tablet holder mounts nearly flush against wall with VESA base; can also attach to other VESA equipment like arms
- Rotates 360 degrees for portrait and landscape orientations
- Mounts to wall with included hardware
- Unique corner-grip holder allows access to all ports, buttons and jacks
- Compatible with 7-14 inch tablets, including iPad Gen7 (2019), iPad Pro (2018), 11-inch iPad Pro (2018), iPad mini, iPad Air, iPad Pro 12.9, Galaxy Tab S3, and more
- Compatible with headphone jack credit card readers
- Compatible with tablets in cases up to 1.2 inches in thickness
