2-in-1 Adjustable Monitor and Tablet Mount Stand with Keyboard Tray

2-in-1 Adjustable Monitor and Tablet USB Hub

This versatile mount combines pivot points and custom-height positioning with a sturdy aluminum build to make your tablet, monitor, and keyboard the cornerstones of your digital workspace. The perfect addition to a classroom, conference room, or doctor's office, this remarkable mount installs easily to a desk, countertop, or table, using either the adjustable scratch-protected C-clamp or the included grommet mounting system. This mount makes customizing your setup a breeze, with 3 height-adjustable mount arms that rotate 360 degrees around the central pole. 2 of these gas spring, angle adjustable arms are outfitted with rotating, size-adjustable holders for your tablet and monitor, while the third supports a comfortable, angle-adjustable keyboard stand. The sturdy central pole also includes a cable routing grip slot to keep your wires organized and out of the way.
