Adjustable Security Grip with Hand Strap

for iPad, iPad Pro, Surface Pro and Tablets 9.7"-13"

Adjustable Security Grip with Hand Strap

Keep larger tablets secured with CTA Digital's Adjustable Security Grip with Hand Strap for iPad Pro & Large Tablets 9.7"– 13". Perfect for classrooms, offices, or retail points of sale, this solid holder adjusts diagonally to securely fit 9.7"–13" tablets, including iPad Pro 12.9, iPad Pro 9.7, Surface Pro 4, and other large tablets. A resizable hand strap at the back of the holder rotates a full 360 degrees to accommodate handheld landscape or portrait orientations, providing you with exceptional ease of use and portability wherever you are using your tablet. The holder length easily resizes with a simple sliding mechanism, staying firmly in position with the included slip-protection rubber inserts, for maximum tablet protection when in use. The adjustable holder firmly grips the corners of your device and attaches to any permanent fixture with the galvanized steel anti-theft cable lock and keys. This capable, clever device can even be mounted to a VESA interface with the hand strap detached.

Features include:

- Resizable hand grip rotates a full 360 degrees for landscape or portrait orientation
- Simple slide adjustment mechanism resizes the holder
- Rubber slip-protection inserts prevent accidental resizing when in use
- Galvanized steel cable with lock and keys secures holder to any permanent fixture
- Perfect for classrooms, offices, or commercial spaces
