Wall, Under Cabinet & Desk Mount with 2 Mounting Bases for Tablets

Wall, Under Cabinet & Desk Mount

Turn any two surfaces from your home or office into a hands-free station for your tablet with CTA Digital's Wall, Under Cabinet & Desk Mount with 2 Mounting Bases for Tablets. This stand is a marvelous device built with four joints, making it adjustable for many different angles, orientations and directions. The mount features two adjustable grips, one spring-loaded and the other activated by a quick-release button on the back, which is compatible with any tablet, including the iPad Air 2, the Amazon Kindle Fire or the Google Nexus 9. This kit also includes two separate, easy-to-install mounting bases, which are amazing pieces of hardware that use a two-part locking mechanism to keep your stand and tablet held firmly in place, wherever it may be installed. So whether sitting on a desk, secured vertically to a wall or hanging upside down under a cabinet, enjoying your tablet from room to room has never been easier thanks to CTA Digital's Wall, Under Cabinet & Desk Mount with 2 Mounting Bases for Tablets.
