Bluetooth Speaker Stand for Tablets

Bluetooth Speaker Stand

Amp up the music, movie, video and chat app experiences from your tablet in one of the simplest and most enjoyable ways possible thanks to CTA Digital's Bluetooth Speaker Stand for Tablets. This is the perfect stand to sit back and enjoy crisp audio that goes hand-in-hand with that already-stunning picture playing from your tablet device, and since the speakers are Bluetooth enabled, setting up that connection between your tablet and speakers couldn't be easier or more convenient. The mount is designed for any tablet, whether it's the iPad Air 2, the iPad Mini 4 or the Google Nexus 9. With two adjustable arms, one spring-loaded and the other activated by a quick-release button on the back, it's the ideal setup in tablet entertainment and communication for your desk, coffee table or countertop. Complete with a Micro USB cord, CTA Digital's Bluetooth Speaker Stand for Tablets is always ready to jam.
