Adjustable Anti-Theft Security Grip and Stand

for iPad Pro & Large Tablets

Adjustable Anti-Theft Security Grip and Stand

Keep larger tablets secured with CTA Digital's Adjustable Anti-Theft Security Grip and Stand for iPad Pro & Large Tablets 9.7"– 13". This heavy-duty holder adjusts diagonally to securely fit 9.7"–13" tablets, including iPad Pro, Surface Pro 4 and other large tablets. The holder firmly grips the corners and can then be locked and attached to a secure object using the included cable lock and keys.

The attachable metal stand offers stability and can be secured to a desk or countertop through predrilled holes for easy installation and extra security. The attached holder can tilt to quickly switch from front to back for easy transactions and also adjust the viewing angle or rotate for horizontal or vertical views. With the perfect design to use larger tablets as workstations, retail displays or point-of-sale systems, you can have convenience and security with CTA's Adjustable Anti-Theft Security Grip and Stand for iPad Pro & Large Tablets 9.7"– 13".

Features include:

- Adjustable holder designed for iPad Pro, Surface Pro 4 and other large tablets
- Lockable grip holder secured with the included cable lock and keys
