Articulating Tablet Wall Mount

Modern aesthetics and unbeatable functionality combine in this elegant, versatile wall mount for tablets. Perfect for classrooms, conference rooms, doctors' offices, or living rooms, this powerful holder makes your tablet the centerpiece of any space. 3 flexible hinges and an extremely maneuverable ball socket allow for virtually infinite positioning options, while a 360 degree rotating tablet holder enables quick shifts between portrait and landscape orientations. The arm mount pairs this range of customization with an ingenious space saving design, from its maximum extension to folding nearly flush against the wall. This arm mounts easily to any wall with a set of included hardware.
