

Heavy-Duty Gooseneck Floor Stand with VESA Plate and Storage Basket

for 7-14" Tablets

PAD-HFSVU

This ultra-durable, rolling floor stand gives you access to your tablet at virtually any angle, with a telescoping, height-adjusting pole and flexible aluminum gooseneck. At the top of the gooseneck is a VESA plate, which can connect to VESA-ready tablet cases, or directly to the included tablet holder. The slide-open tablet holder tilts side to side and rotates 360 degrees, easily accommodating portrait or landscape orientations. Also included is an attachable multi-purpose storage cradle, perfect for an external battery pack or a stack of business cards, plus a larger storage basket and an angle-adjustable keyboard stand. 5 locking wheels attach to the chrome-plated stand base, making moving this stand a breeze. Exceptional flexibility, adjustability, and mobility make this tablet stand a welcome addition to a living room, study, doctor's office, classroom, or tradeshow.

Features:

- Height-adjustable central pole
- Flexible steel gooseneck for angle adjustment
- VESA plate at top of gooseneck supports tablet cases with VESA mounting
- 360-degree rotating tablet holder attaches to VESA plate
