

Pro-Grip Cable Key-Lock with Charge Cable Security Ring

For Surface Pro/Surface Go

Pro-Grip Cable Key-Lock with Charge Cable Security Ring

This lock security kit protects your laptop/tablet hybrid, or other device from theft with no drilling or complicated installation. Simply attach the metal security plate to the kickstand of your device. The included steel security cable is attached to the clip grip on the metal plate, unlocking with a key. The cable loops around a table leg or other permanent fixture at the other end, keeping your device well protected from theft, and making this security kit an excellent fit for classrooms, conference rooms, retail counters, reception desks, and more.

Features:

- Security grip attaches to the Surface Pro/Go kickstand
- Galvanized steel security cable
- Compatible with laptops/tablet hybrids
- Perfect for dorm rooms, conference rooms, offices, classrooms, reception desks, waiting rooms, and more

Package Contents:

- (1) Security cable
- (2) Keys

Specifications:

- Weight: 0.77 lbs.
- Cable length: 80 inches
- Dimensions (coiled): 4" x 4" x 1"
