## Security VESA and Wall Mount

This protective tablet case keeps your iPad shielded from collisions and falls. Its durable, rugged frame gives you heavy-duty impact shielding without compromising on usability. An additional silicone jacket offers further protection for your device. The case is designed to allow full access to your iPad's ports, buttons, and jacks. It's combined with this sturdy and convenient Security VESA compatible wall mount. It counts with a security lock and a lock button for better adjustment. This case is also outfitted with a resizable hand strap, plus a rotating 360-degree grip ring, giving you a comfortable handheld to wall mounted solution in portrait and landscape orientations. Also included is a foldout kickstand for fast, easy tabletop display options.
