# Dual Security Enclosure POS Station

with Printer Stand, Magnetic Scanner Holder & Card Reader Holder

## Dual Security Enclosure POS Station

This countertop POS Station is a heavy-duty stand with dual VESA plates which can attach to CTA enclosures of anything VESA compatible. It comes with a printer stand, a scanner holder and a universal card reader holder in order to provide a cohesive, efficient and compact POS system. The easily interchangeable metal bracket can be attached on either side of the stand for flexible adjustment. The scanner holder and card reader holder are easily attached on the stand & enclosures by magnetic pads, allowing them to be placed in different positions. The card reader holder is width adjustable to fit different size card readers. This stand provides a reserved space in the front to allow for a receipt printer option. This is the perfect addition for a point-of-sale location, retail store, warehouse set up and more.
