

PAD-DSTB10

Security Dual-Tablet Kiosk Stand (Black)

For iPad Air 3 (2019), iPad Pro 10.5, and iPad Gen7 (2019)

Security Dual-Tablet Kiosk Stand

This versatile twin iPad kiosk stand offers style, security, and ease of use to your tablets, making it a perfect fit for retail points of sale, concierge desks, airport terminals, and more! It has two different setups, one on each side; One side rotates 360 degrees for easy portrait or landscape orientations, while the other rotates 360 degrees and tilts for a better fitting position. Both setups allow full access to your tablet's ports, buttons, and cameras. Each of the two enclosures is outfitted with a powerful lock and key security system, protecting your iPads from theft. Each enclosure is also outfitted with cable slack organizing space inside the case plus a rubber cutout at the rear. Also included is a stylus and elastic tether, plus built-in holders on the stand base, which mounts to your tabletop, counter, or other flat surface with included hardware or adhesive padding.

Features:

- Lock and key security protects tablets from theft
- Dual iPad stand displays two iPads in separate enclosures
