

Add-On Tray

for PAD-PARAF1 with Gooseneck and VESA Plate

ADD-GNVTRAY

Add-On Tray

This rugged add-on provides a secure, maneuverable, and convenient base for iPad enclosures. The VESA mount attaches easily to any 75 x 75 or 100 x 100-millimeter compatible plate. Screw the round base into the top of CTA's Premium Locking Floor Stand Kiosk with Graphic Slots (or even a wall or counter top) to create an iPad stand that not only bends to virtually any angle, but easily rotates for use in both portrait and landscape orientations. Stow charging cables neatly away through the center of the gooseneck for constant charging.

Features:

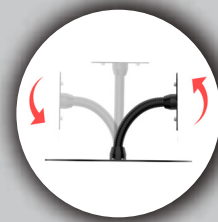

- Heavy-duty VESA-compatible mount
- Durable steel body
- Scratch protected padding on weighted base
- Perfect for CTA Digital's PAD-PARAF1 Premium Locking Floor Stand Kiosks with Graphic Slots, counter tops, walls, desks, tables, or any surface that can be drilled into.
- Sturdy gooseneck bends to near infinite angles for optimum viewing
- ADA Compliant

Specifications:

- Dimensions: 12.4 x 12.4 x 9.5-inches
- Weight: 4.7 lbs.

Package contents:

- (1) Add-on tray with gooseneck and VESA plate
- (1) Set of hardware

Ultra Flexible Gooseneck Adjustability

Sturdy Tabletop Work Area

Efficient Cable Management
