- (1) Base
- (1) Set of Hardware

This combination thin profile floor stand and removeable magnetic case is ideal for travelling presentations, working in the field, or anywhere you need a lightweight stand and durable iPad enclosure. The rugged, military grade tablet case is splash-proof, impact-resistant, and comes with a screen protector. Powerful embedded magnets at its rear to enable instant mounting to metal surfaces – letting you switch from floor stand to refrigerator, or metal wall surfaces. The case is designed to allow full access to your tablet's ports, speakers, and home button. CTA's lightweight floor stand is a workhorse. Durable powder coating keeps this stand looking sleek from field to classroom. A sturdy base provides a secure anchor for your device. The case is compatible with iPad 7th & 8th Gen 10.2", iPad Air 3 and 4, iPad Pro 10.5", and more.
