

Heavy-Duty Magnetic Mount with Universal Paragon Security Tablet Holder

PAD-VFLOATM

Heavy-Duty Magnetic Mount

This heavy-duty magnetic mount is the ideal tablet holder for use on refrigerators, file cabinets, cubicle panels, and other iron-based or steel surfaces around the home, office, or commercial kitchen – any place where counter space is hard to find. The powerful heart of this mount is a small-but-mighty super-strong magnet that can hold an extraordinary amount of weight. This kit includes CTA's popular Paragon Enclosure, which features a powerful lock and key security system. The enclosure can be mounted either vertically or horizontally and is designed to allow interior cable routing so that your device remains charged while in use. The enclosure's mounting holes are in a standard 75mm x 75mm VESA pattern, allowing easy interfacing with the magnetic mount.

Features:

- Strong magnets in the back of the device work with any flat, iron-based steel surface
- VESA mount works with any compatible 75 x 75- or 100 x 100-millimeter device cases
- Soft rubber accents prevent scuffing
- Heavy-duty locking enclosure
- Mounts flush against wall, extending less than one inch out
- Portrait or landscape mounting
- Interior cable routing
- VESA 75mm x 75mm capable, for easy mounting to arms and other VESA equipment
