Create a mobile, adjustable digital workstation that moves at the speed of your day with CTA Digital's Compact Rolling Floor Stand with Gooseneck and VESA-Compatible Articulating Arm. This stand is without equal in adjustability, with a flexible, yet strong gooseneck, 3 points of articulation on the articulating arm, 48-60-inch height adjustment, and a tilting headpiece with easy 360-degree rotation, ready to attach any 75 x 75 or 100 x 100-millimeter VESA compatible tablet cases (not included), including CTA Digital's popular Paragon Enclosures. The stand's swivel casters attach effortlessly to the stand base, giving your stand easy mobility at home, the office, classroom, lab, retail space, or even on your exercise bike or treadmill.
