# Clamp Pole with 3 Adjustable VESA Plates For Customized Delivery Service Solutions

## Clamp Pole with 3 Adjustable VESA Plates

This attachable 3-VESA-plate arm clamps around poles of mobile floor stands, making it the perfect multi-screen holder especially for restaurants and other businesses who use 3rd party delivery services. Affix the three sturdy 75 x 75 and 100 x 100-millimeter VESA Plates to the center pole, then attach any VESA compatible enclosures or devices (cases and enclosures not included). This kit allows for very customizable setups and configurations with features such as tilt adjustable VESA plates in the horizontal and vertical directions. It also features portrait to landscape orientation flexibility, VESA arm clamp height adjustability, and swivel orientation around the pole. This versatility boasts a superior ability to create a well catered kiosk that can really support all the needs of your company or business.

### Features:

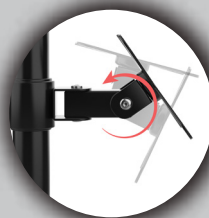

- (3) VESA 75x75 and 100x100-millimeter mounting plates attach to a pole to create a customizable configuration of tablet devices for management of delivery services
- Attaches to any VESA-ready tablet case or other device up to 3.6 lbs.
- Easily clamps to tables and flat surfaces
- Rubber interior lining to clamp for a frictionless sturdy grip
- Tilt adjustable in the vertical or horizontal direction per VESA mount
- Portrait and Landscape orientation adjustability per VESA mount
- Each VESA arm pole clamp is height adjustable for the perfect preferred height combination configuration
